## FIRE ON THE BKT. HAWAII

SAN FRANCISCO, December 31.—The barkentine Hawaii of this port arrived yesterday at Kobe after a voyage which wind, water and fire had conspired to make eventful. Through this war of elements the stout sailing ship emerged with comparatively few scars: Hind, Rolph & Co., the owners, are again congratulating themselves that the little god of luck continues to follow their flag.  
The Hawaii was loaded with fertilizer from Killisnoo. She encountered a full share of the heavy weather which at this time of the year makes navigation in Oriental waters full of danger. The wind ripped six sails to ribbons and a heavy sea, one of many that threw its weight across the barkentine's decks, damaged her wheel. To add to the burden of the Hawaii's crew the vessel took fire, and for anxious hours the sailormen faced the possibility of having their floating home burned under their feet. The flames were subdued, however, and the Hawaii yesterday entered the harbor of Kobe.  
As far as can be seen now the damage done by the flames was slight, but the full extent of the havoc wrought by the fire will not be known until the discharging of the cargo permits a more thorough examination.

## JIU-JITSU FOR THE NAVAL CADETS

The Washington Star says: Secretary Morton had a conference at the Navy Department today with Captain Brownson, Superintendent of the Naval Academy, and Professor Yamashita, an expert in the Japanese science of jiu jitsu, with the result that arrangements were made to introduce that method of offense and defense at the Naval Academy. Professor Yamashita, who was formerly an instructor at Harvard University, has engaged to provide two expert Japanese instructors for the Naval Academy, and the course will be opened as soon as they are installed at the academy.

### Aorangi Damaged.

VANCOUVER, B. C., December 23.—While coaling, the Australian liner Aorangi was run into by the American steam collier Edith today. The Aorangi's jibboom, figurehead and gear were carried away.  
A high wind was blowing at the time and the Edith, while trying to make a berth at the bunkers, was carried by wind and current against the Aorangi. The damage is said to be about \$2,000.

### Shipping Notes.

The Claudine brought as her cargo yesterday 3331 bags sugar, 93 bags corn, 166 bundles palm, 69 hogs, 1 lot scrap iron and 93 packages sundries.  
The W. G. Hall brought 6100 bags of H. M. sugar yesterday morning from Kauai. There were also 10 bags of coconuts and 81 packages sundries.

Purser Friel of the W. G. Hall reports that the Mikahala was to go to Nihau yesterday morning. She had already loaded 3000 bags of K. S. M. sugar.

The W. G. Hall reports 38,062 bags of sugar on Kauai awaiting shipment, as follows: K. S. M. 1500, W. 1600, M. A. K. 9622, G. & R. 2390, K. P. 750, P. 8000, H. W. 3500, M. S. Co. 6000, K. S. Co. 4700.

The Nebraska caused considerable damage to the steamer Kauai while docking last Saturday. The big freighter ran into the Inter-Island steamer, smashed both boats on her port side and carried away the davits.

### BEACH LOTS, WAIKIKI

#### FOR SALE.

The fine residence lot at Waikiki lying between the property of Judge Lole and the lot of George N. Wilcox is offered for sale on REASONABLE TERMS.

This lot has a frontage on the beach of 221.1 feet, an average depth of about 170 feet and a frontage on the Diamond Head road of 153.4 feet; area 31,500 square feet. Substantial retaining walls have recently been constructed at great expense along the seashore and the ditch leading from Diamond Head, thereby saving the purchaser any further expense on that account. View and location exceptionally fine.

This lot will be sold in subdivisions of two or three lots, as may appear most agreeable to the purchasers.
